**Snow Removal** – sometimes snow plows go past your property just after you have finished shovelling your driveway and or sidewalk and we understand this can be frustrating. Snow removed from sidewalks can be placed on the adjacent property or on the road next to sidewalk, ensuring it doesn't interfere with traffic. Shovelling or blowing snow onto the street into the driving lane is a bylaw violation. Snow from driveways and private walkways should remain on the property.

Village of Montmartre Regular Meeting of Council will be held at 7:30pm on January 21, 2025; February 13, 2025; March 13, 2025; April 10, 2025 and May 8, 2025 in the Municipal Office Boardroom at 136 Central Avenue.
