Montmartre Health Trust

The Montmartre Health Trust has been in existence since 2005. In the past ten years alone, we have been able to assist Montmartre residents with extra health care costs in an amount in excess of \$50,000 thanks to the generous donations from the people and business of Montmartre and surrounding areas. The Montmartre Health Trust assists with reasonable costs for things such as fuel, lodging and groceries/meals, not covered by Saskatchewan Health or private insurance companies. We do not cover the cost of medical treatments themselves, nor will we provide any funding without copies of receipts. If you have received funding in the past and have not provided copies of your receipts please be advised that letters alone will not be sufficient for us to assist with reimbursing you for expenses. If you would like assistance or have questions/concerns feel free to contact Jacqueline MacMunn O'Neill, Lynn Gorniak or Herve Lepage or write Montmartre Health Trust, Box 33, Montmartre, SK S0G 3M0.
