THANK YOU from Pavlo Olendii

Pavlo is very happy to have had the opportunity to start playing the guitar and doing some singing at a few functions within Montmartre community the past year. With the support of donations from many generous individuals, the Holy Ghost Church and from canvassing with a group of Christmas carollers, we have generated over \$1,000.00. Recently, we have spent half of the donated money on a new guitar and a few other music essentials. We’re now in the process of setting up some guitar lessons with a music teacher in Regina with the remaining donated funds. Pavlo and his family say THANK YOU very much. It is beautiful to be blessed with so much financial and loving support.

Montmartre Health Trust

The Montmartre Health Trust is here to assist with reasonable costs for things such as fuel, lodging and groceries/meals, which are not covered by Saskatchewan Health or private insurance companies. We do not cover the cost of medical treatments themselves, nor will we provide any funding without copies of receipts. If you have received funding in the past and have not provided copies of your receipts please be advised that letters alone will not be sufficient for us to assist with reimbursing you for expenses. If you would like assistance or have questions or concerns feel free to contact Jean Kotylak, Lynn Gorniak or Herve Lepage or write Montmartre Health Trust, Box 33, Montmartre, SK S0G 3M0.

Village of Montmartre Info

Snow Removal – sometimes snow plows go past your property just after you have finished shovelling your driveway and or sidewalk and we understand this can be frustrating. Snow removed from sidewalks can be placed on the adjacent property or on the road next to sidewalk, ensuring it doesn’t interfere with traffic. Shovelling or blowing snow onto the street into the driving lane is a bylaw violation. Snow from driveways and private walkways should remain on the property.
