### Montmartre Legion #279

This month will highlight the Legion track and field. The Royal Canadian Legion has been operating track and field camps for over 70 years, since the initiative was first launched in 1957. The week-long summer camps and national championships have been operating for 50 years, the first one being in 1977. In the 70's and in the 80's, Montmartre School students attended these camps and excelled in the various events.

Highlight: On April 29<sup>th</sup>, Dawne Morin presented local Legion member Steve Lanthier with a Quilt of Valour here at a small afternoon gathering. A Quilt of Valour is more than a piece of fabric. It is a symbol of profound gratitude and appreciation for the men and women who have served in our Armed Forces. Thank you for your service Steve!
