Skaters must have passed all 6 badge levels in the CanSkate program. For skaters wishing to refine and develop figure skating skills. Skaters may take Skate Canada test through a nationally standardized testing system. There is also a competitive stream. Off-ice is offered on Sundays. Call for times.

Ice Show This is a great showcase for family members to see how our skaters have developed. The event is very low key with no costumes. Boys wear dress clothes and girls wear skating dresses while demonstrating their abilities to a routine set to current music. They will rehearse for 2-3 weeks prior to the Ice Show so there is more time developing skills. Our Annual Ice show will be held on Sat. Feb.1, 2020 at 7 p.m.

Lessons will begin weekly on Sunday, November 3 in Odessa at 2 p.m. (optional for weekly skaters)

Odessa Dates are: Nov.3, 10, 24 until December when our ice is in, our season ends early March.
